AWAKEN/ THE ASCENSION: ACTS 1-18

These are questions related to the sermon that you can use for personal study and prayer. Each week our Missional Communities go through these questions together. If you'd like to join a Missional Community or get more information on them, go to www.resonatemovement.org/mc.

REFLECTION/DISCUSSION QUESTIONS

1. The book of Acts records the way Christ founded His Church using simple/normal people like you and me. Do you feel like God can do these things through us today?
2. Read Acts 1:1-9. What portions of this passage jump out to you? What do you think they mean?
3. Pastor Ryan said that the early church understood three things about Christ's work. List each one, and what they mean. Where do you see them in the passage?
4. How does living in light of these works give us power? Which of the three do you need to meditate on to bring power to your spiritual walk?
5. Power comes from understanding the Gospel and letting those truths change our heart, motives, and purpose for living. Share with the group how your motives have been transformed by the Gospel in the past.
6. Believing in Christ's suffering, resurrection, and ascension empowers us to live for God's mission. But it always starts with prayer. Let's take some time to pray for our city using Pastor Ryan's prayer and anything else the Holy Spirit inspires: "Lord, ignite a spiritual awakening in our city. And Lord, start with me!"
