### REFLECTION/DISCUSSION QUESTIONS

1. Had you heard the phrase "filled with the Spirit" before this weekend? What kind of meaning has this phrase had for you over the years?
2. Read Acts 2:1-13. In this passage, what happened to the disciples? What did they do??
3. Every Christian is filled by the Holy Spirit. God lives with us in a way He didn't live with His people before this day of Pentecost in Acts 2. We can experience God's presence in a much more intimate, powerful way than God's people used to be able to. What has your experience of God's presence been like lately?
4. What gets in the way of you experiencing God's presence? What helps you experience His presence?
5. In this passage, the disciples spoke in tongues (other language, so the hearers all understood) about the mighty works of Jesus. When we are filled by the Spirit, we will be passionate about sharing Jesus with others and speaking about Him. How passionate about that would you say you are right now?.
6. Being filled with with Spirit means we're part of a new people who bring God's presence to the world as agents of revival and renewal. The Spirit-filled life should be normal for the Christian. When we pray "Lord, bring a revival," and "Start with me," we are asking for God to fill us with the Spirit. We're asking for a revival on the inside. What is keeping you from experiencing revival right now? How can others pray for you?
