

*These are questions related to the sermon that you can use for personal study and prayer. Each week our Missional Communities go through these questions together. If you'd like to join a Missional Community or get more information on them, go to [www.resonatemovement.org/mc](http://www.resonatemovement.org/mc).*

### **REFLECTION/DISCUSSION QUESTIONS**

1. Read Acts 2:41-47. This describes the life of the early church, birthed by Peter's sermon to people from all backgrounds. What's appealing to you about the life described in this passage?
2. These Christians were "constantly together" - they weren't just physically in the same place, but they wanted to be unified, living like family, together. How much do you have this desire to be together with other Christians?
3. Verse 42 says they were "devoted to...fellowship." It wasn't just being around each other out of duty. It was a genuine desire to bear one another's burdens and love one another. Are you experiencing this kind of fellowship now? How?
4. What are you doing to build a sense of devoted togetherness with other Christians?
5. The Christians in Acts 2 were in awe of what God was doing, and were devoted to worshipping together (breaking the bread and prayer). They encouraged one another to worship Jesus, by pointing one another to Him and His eternal comfort, rather than temporary comfort. Now we're going to practice doing this as a Missional Community. Have everyone share one thing they're struggling with right now, or one area where they need comfort. Then, have the group respond by sharing comfort based in Jesus. After that, have one person pray for the person who just shared, then move to the next person.
