

SERMON QUESTIONS

NOVEMBER 15TH - 21ST, 2020

AUTHORITY - ACTS 3:17-26

These are questions related to the sermon that you can use for personal study and prayer. Each week our Missional Communities go through these questions together. If you'd like to join a Missional Community or get more information on them, go to www.resonatemovement.org/mc.

Golden Thread: All Scripture points to Jesus. If you preach Jesus, Jesus is preaching.

REFLECTION/DISCUSSION QUESTIONS

1. What was your big takeaway from this week's sermon? Why do you think God brought it to mind? What does He want to do in your life?
2. Why do people love the portions of Scripture that speak about peace, feeding the poor, healing, and the power to rescue us, but avoid or mistrust the portions that speak about God's authority over our lives or the parts that attack our frequent sins? Why do you think people are resistant to the Bible's authority?
3. Read Acts 3:17-26. Pastor Ryan said that Jesus is the focus of the Bible. How does God use Peter to help his audience see this amazing truth? List out the verses and what they mean.
4. Jesus is the focus of the Bible. List out the ways you see him throughout the narrative of the Bible.
5. Since Christ took all the punishment for our sins, we don't have to despise Scripture's correction. What is the correction that you're running away from today?
6. Since Christ fulfilled the Scriptures and gives us all his righteousness, we are more affirmed and accepted than we could ever dream! What is God's affirmation that you desperately need to hear today?
7. Read John 11:38-44. Since Jesus is the focus of all Scripture, when Jesus is preached, Jesus is preaching. How powerful is His preaching? How might this power give you hope when you read the Scriptures?
